Subject: Proposed DOL Fiduciary Rule

To Whom It May Concern: I am the owner of CPR My Career, LLC, a recruiting, career coaching and financial planning firm. We provide exceptional value added services to dislocated workers- we recruit for them, we provide career coaching, and we provide financial planning for those who request help with their retirement assets. The proposed DOL Fiduciary Rule would cause our company to no longer exist. We have 50 full time employees. The proposed rule would eliminate 85% of our revenue overnight. I have invested my life savings into this business and work hard every day to do the right thing for our consumer. Our services are free to the dislocated worker and are considered best in class. I would love to share more information to anyone regarding how this proposed rule will destroy what has taken me 20+ years to create. If you would like more information, reply to this email or call me on my cell at 612-310-0500.

Sincerely,

John
